PRELIMINARY AMENDMENT

Sir:

Please add the included page 33 to the reference application.

Added page 33 contains only claims. No modification of the description or drawings is required. It is therefore believed that the alleged missing page 33 can be added by preliminary amendment.

Please amend page 28 as shown in the enclosed sheet labeled "specification"

The original specification referred to Figs 14A,B. However there is only one fig. 14.

11 sheets
Formal drawings are also included herewith in response to Notice to Correct Application papers.

Respectfully,

Robert S. Smith
